

Weekly Newsletter

#27 19.4.24

Dear Cherry Orchard pupils, parents and carers,

A hugely busy week this week, again! Some of the Year 5 children have been taking part in the 'Bikeability' scheme helping them to become really safe cyclists and on Thursday, 5C produced a fantastic class assembly for their visiting family members. Next week, some pupils in Y4 will be experiencing a residential trip to the Pioneer Centre. This will be a great opportunity to try something new. Busy times at Cherry Orchard!

Last night, members of staff attended the Worcestershire Education Awards, as Cherry Orchard were finalists for three awards: the STEM project (Science, Technology, Engineering and Maths) of the Year, Primary School of the Year and Pre-School of the year. We were delighted to win the STEM award for the Rivers Y6 Box Car Rally project, but unfortunately we did not win in the other two categories, though the positive comments made about the school were brilliant and it was a huge privilege to have been a finalist in three awards – well done, team Cherry Orchard!

And finally, we are now processing applications for places in September 2024. Due to the lower births rates within our catchment area, we do have some spare places available across the school including in Reception for 2024. Please pass our details onto interested friends or family members, we are always happy to offer tours of the school. The next school tour is scheduled for **Wed 8th May at 9:30am**. Come and see us in action!

In Year 1

Year 1 started their art topic this week with a focus on sculpture. We used salt dough and explored a range of techniques to make marks.

In Year 2

It has been really busy in Year 2 this week and we have all worked really hard.

In geography, we have learnt the location of the Kalahari Desert and how to mark it onto a map of the World.

In DT, we have practiced different ways of attaching wheels and axles to a chassis using ready-made box kits.

In maths, we have been learning to tell the time in 5 minute intervals, to and past the hour. This clockface has helped us to see the minutes at each point. Why not make one at home and keep practising?

In Year 3

This week in Year 3, we have been cooking! To end our unit on carbohydrates and gluten alternatives we made three different types of pasta, cooked them and most importantly tasted them! We used plain white flour, gluten free flour and chickpea flour. We really enjoyed shaping the dough into different pasta shapes!

In Year 4

Year 4 have been cooking for the end of their DT unit on eggs. We made a range of different omelettes today. We selected the ingredients last week, and tasted them this afternoon before evaluating the taste and texture. As part of this DT unit, we have also made meringues and pancakes!

In Year 5

In Year 5, we have been exploring our new Science topic for Summer- Lifecycles. The driving question is- Are all lifecycles the same? This week, we dissected daffodils to see if we could find and label all the reproductive parts of a flowering plant.

In Year 6

In Year 6, we have started our new topic on sculpture. We have looked at some different sculptors including Dame Barbara Hepworth, Henry Moore and Anthony Gormley.

This week, we started to think about what our human figure sculptures might look like. We used Pic Collage on our i-pads to take pictures of each in different positions. We will use these pictures next week to start sketching out our plans.

VOLUNTEERS NEEDED

In the second half of Summer Term, Year 6 will be working hard to design and make all the elements of a themed racing boxcar team. We will be competing against Year 6 classes from all the schools in the Trust. Can you volunteer any time to offer your expertise, guidance and help to the children to make the most exciting products possible?

Please see this table of days that we need you and what you might expect to be doing on that day.

Please bring with you anything that might be useful (sewing items, drills/screws etc – please note that the children should not use power tools unless under strict supervision). These are practical sessions working with approximately 8-10 children – you do not need to be an expert, just willing to practically get involved and offer guidance.

We are exceptionally grateful for any time you can spare to help us with this project. Please email HPalmer@riverscofe.co.uk if you are able to come in on any of these days.

Attendance

This is a screenshot of the Attendance guidance which is on our website, along with our Attendance Policy. Please help support your child's education by ensuring that they are in school, on time, every day. If your child is absent for any reason, please make the office aware of this as soon as possible, as the twice daily attendance registers are legal documents that must be accurately completed and shared with the LA. Attendance is a 'hot-topic' for the school, the MAT, the LA and the Government, as every child has the right to a full education.

Cherry Orchard Primary School

Attendance Procedures

Attendance Matters:

At Cherry Orchard Primary School, we believe that good attendance is vital for all children to be confident, happy and independent learners. Good attendance is 97% or above – no more than 6 days off school in a year. Our aim is to give a clear and consistent message to parents/carers and children in our school, which we will constantly reinforce in our day-to-day work.

Good attendance is a priority at Cherry Orchard and our target is to achieve **97% or above** by the end of this academic year. It is an expectation that all children attend school every day because 'Every minute of every day matters'.

What is expected of Parents and Carers at Cherry Orchard Primary School:

- **Good attendance** – Parents/carers have a legal duty to ensure that their child/children are in school every day as it is vital for learning and promoting essential life skills
- **Good punctuality** – Parents/carers have a responsibility to ensure that their child/children arrive on time each day in school (so lessons can start at 8:45am) and are prepared for the day ahead
- **Medical/Hospital/Dental Appointments** – Where possible, and unless in an emergency situation, appointments should be taken outside of school hours or in holiday periods. Appointment letters/notifications should be provided to the school office when notifying us of the absence.
- **Absences due to illness** – Parents/carers have a duty to notify the school if their child/children are absent for any reason and this needs to be done as soon as possible and certainly before 9:15am. School will contact parents/carers if notification is not received by this time.
- **Holidays** – Holidays are not permitted in school term time. All holidays are unauthorized except in exceptional circumstances.

Reminders/information

School gates open at 8:30am and will close when children should be in class at 8:45am. This is when lessons start and the register is taken. The gates will be open again at 3:05pm for a 3:10pm finish for Reception children and a 3:15pm finish for all other year groups. Please try to be prompt in the mornings so that all opportunities for learning are able to be taken and in the afternoons by standing away from the building, close to the areas where your child will be released.

Please try to discourage the bringing of toys/non-school items into school. They can go missing or get broken, meaning the children can get upset. Please keep them for home.

Please try NOT to drive down Timberdine Close in the mornings unless you have a parking permit for the school as there are not places to turn safely around. We have been asked to pass on that the NHS have had their entrances blocked and there have been some near misses with both children and vehicles, and, as a result, the community police officers will be doing some spot patrols.

Our Early Help Offer

Early Help is a pathway to supporting you and your child as they grow up when you or they may need further support or guidance.

Providing early help to our pupils and families at **Cherry Orchard Primary School and Little Cherries Pre-school** means we can improve outcomes for children, families, and communities, providing support as soon as a problem emerges, at any point in a child's life, from the early years through to teenage years.

Early Help can support children and their families who may be struggling with:

- Routines and family rules
- Keeping to a healthy lifestyle
- Children who are caring for a family member
- Children who may not want to go to school for different reasons
- Disability within the family including children being a young carer
- Children in the family have special educational needs (SEND)
- Families who may be not be eating healthy food
- Children who may becoming involved in anti-social or criminal behaviour
- Children who go missing from home
- Children or parents / carers misusing drugs or alcohol
- Children at risk of being tricked, forced, or made to work in the criminal world
- Children who may need support because they may live in a home and see drug or alcohol abuse or adult mental health problems
- Children who have parents who argue a lot (and sometimes might hurt each other) whether the parents live together or apart
- Children at risk of being groomed to join groups which support illegal views
- A privately fostered child (a child from another family living within your family home)

Early help relies upon local groups and people in the community, sometimes we work together to help children, young people, and their families.

Everyone needs help at some time in their lives and therefore an ethos of early help is important for any school.

Help and support at Cherry Orchard

The staff team at Cherry Orchard Primary School and Little Cherries Pre-school, will provide you with support and guidance - please ask one of the team if you need help with issues such as attendance, behaviour, routines at home, financial difficulties, bereavement and counselling etc

Staff are trained to seek further advice and guidance if they do not have the relevant information to hand. The senior leadership team have additional skills and training to help with more specialised situations or levels of support. **Please remember, we are all here to help – just ask!**

WE NEED YOU!

We help keep children
safe.
Why not come and
work as part of the
school crossing patrol?

Worcestershire County City are still looking to fill the role of School Crossing Patrol officer on Timberdine Avenue. This is a vital role, helping both adults and children to cross the busy road safely both before and after school.

If you think that you might be interested, please contact Worcestershire County Council or see the www.wmjobs.co.uk/job section of their website. (The form says a closing date of April 1st but they are re-opening it and will still take applications.)
