#21 23.2.24

Dear Cherry Orchard pupils, parents and carers,

As you will know, our school was inspected by OFSTED on Tuesday and Wednesday this week. Please could I extend my huge thanks to you all, for the messages of support and the overwhelmingly positive responses on the 'OFSTED Parent View'. The parental involvement and commitment at Cherry Orchard Primary School over the last few years has been amazing; I am hugely privileged to work in partnership with the Cherry Orchard community and to lead such a tremendous school. Please thank your children for their contributions this week—they were an absolute credit to themselves and the inspectors were very impressed with their discussions.

We have to wait several weeks now until the official report is available to share, but I very much look forward to being able to share it with you all as soon as possible.

Once again, thank you for being an integral part of our school family. Your partnership is invaluable.

With warm regards,  
Karen Banford, Headteacher

# This week at Cherry Orchard.....

Today, a group of 28 Year 5 and 6 pupils went to RGS for a languages morning. They had a great time learning some French, German and Spanish vocabulary and playing games in the different languages, and enjoyed the themed snacks (particularly the chocolate sauce!).

# PSHE at Cherry Orchard

At Cherry Orchard, our aim for our PSHE lessons is to ensure that every child can be an active, positive, and mindful citizen of the future.

We encourage our children to have high aspirations and to believe in themselves. Our PSHE curriculum enables our children to think about themselves and their wider community whilst also making links to our sustainable goals.

Our PSHE is taught through the scheme 'Jigsaw'. This scheme allows all year groups to work on the same theme at the same time, with each theme pitched age appropriately. These themes are as follows:

- Being Me
- Celebrating Differences
- Dreams and Goals
- Healthy Me
- Relationships
- Changing Me

Throughout these themes, children are taught mindfulness techniques, how to manage and regulate their thoughts and feelings, and their awareness of others opinions and beliefs. Relationships and Sex Education (RSE) is also taught through our Jigsaw scheme.

## Year R

Reception enjoy their PSHE lessons with Jigsaw Jenie. They have explored what makes a good friend, celebrated differences, learned how to be responsible and worked together to complete a task. Recently they have thought about their proud moments and about their goals for the future. Top priorities are learning to ride a bicycle, learning to swim and doing jobs which help other people.

## Year 1

In Year 1, our PSHE lessons teach us to celebrate differences and work as a team. We have had the chance to talk about how we are similar and how we are different. We discuss our hopes and dreams as well as talking about who can support us if we feel unhappy or worried. We learn about our place in the world and how we can build positive and healthy relationships with others.

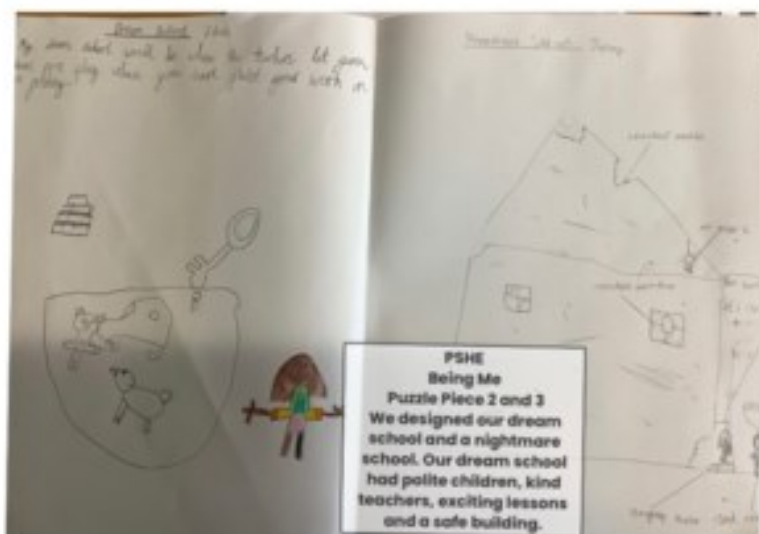

## Year 2

Year Two had some brilliant discussions when exploring their dreams and goals last half term. They learnt some songs which promoted having high aspirations and enjoyed singing them altogether. They also considered both the immediate and long-term steps that they would need to take in order to achieve their goals.

# Year 3

## YEAR 4

Last term, Y4 focused on Dreams and Goals where we discussed our ambitions and how we could achieve them. This week, we have started our new learning all about Healthy Me and have discussed our close friendships and relationships which make us happy.

## YEAR 5

What is the difference between a migrant, an asylum seeker and a refugee?

Ask me this...

Should a government help its own citizens before it helps refugees?

Do these children have everything they need to help them learn?

Is it the government's responsibility to ensure that every citizen in our country can have their rights met?

Direct or Indirect bullying?

\*Pippa's friend tells her she thinks the girls in Class Two are spreading nasty rumours about her

In the Autumn, the children focused on their responsibilities and looked at some of the serious issues that can affect children and adults in our communities such as bullying, racism, and discrimination. We also looked at the important conversations around migrants, asylum seekers and refugees.

## Spotlight on PSHE YEAR 5

| Qualifications/Experience needed:       | Degree in art   |

In the first half-term of spring, Year 5 focused on 'Dreams and Goals'. We explored different careers and the children had the opportunity to research their dream job and consider some of the steps they will need to take to achieve that goal.

## Attendance

This is a screenshot of the Attendance guidance which is on our website, along with our Attendance Policy. Please help support your child's education by ensuring that they are in school, on time, every day. If your child is absent for any reason, please make the office aware of this as soon as possible, as the twice daily attendance registers are legal documents that must be accurately completed and shared with the LA. Attendance is a 'hot-topic' for the school, the MAT, the LA and the Government, as every child has the right to a full education.

### Cherry Orchard Primary School

#### Attendance Procedures

##### Attendance Matters:

At Cherry Orchard Primary School, we believe that good attendance is vital for all children to be confident, happy and independent learners. Good attendance is 97% or above – no more than 6 days off school in a year. Our aim is to give a clear and consistent message to parents/carers and children in our school, which we will constantly reinforce in our day-to-day work.

Good attendance is a priority at Cherry Orchard and our target is to achieve **97% or above** by the end of this academic year. It is an expectation that all children attend school every day because 'Every minute of every day matters'.

##### What is expected of Parents and Carers at Cherry Orchard Primary School:

- **Good attendance** – Parents/carers have a legal duty to ensure that their child/children are in school every day as it is vital for learning and promoting essential life skills
- **Good punctuality** – Parents/carers have a responsibility to ensure that their child/children arrive on time each day in school (so lessons can start at 8:45am) and are prepared for the day ahead
- **Medical/Hospital/Dental Appointments** – Where possible, and unless in an emergency situation, appointments should be taken outside of school hours or in holiday periods. Appointment letters/notifications should be provided to the school office when notifying us of the absence.
- **Absences due to illness** – Parents/carers have a duty to notify the school if their child/children are absent for any reason and this needs to be done as soon as possible and certainly before 9:15am. School will contact parents/carers if notification is not received by this time.
- **Holidays** – Holidays are not permitted in school term time. All holidays are unauthorized except in exceptional circumstances.

## Reminders/information

School gates open at 8:30am and will close when children should be in class at 8:45am. This is when lessons start and the register is taken. The gates will be open again at 3:05pm for a 3:10pm finish for Reception children and a 3:15pm finish for all other year groups. Please try to be prompt in the mornings so that all opportunities for learning are able to be taken and in the afternoons by standing away from the building, close to the areas where your child will be released.

Please try to discourage the bringing of toys/non-school items into school. They can go missing or get broken, meaning the children can get upset. Please keep them for home.

**Please try NOT to drive down Timberdine Close in the mornings unless you have a parking permit for the school as there are not places to turn safely around. We have been asked to pass on that the NHS have had their entrances blocked and there have been some near misses with both children and vehicles, and, as a result, the community police officers will be doing some spot patrols.**

## Our Early Help Offer

Early Help is a pathway to supporting you and your child as they grow up when you or they may need further support or guidance.

Providing early help to our pupils and families at **Cherry Orchard Primary School and Little Cherries Pre-school** means we can improve outcomes for children, families, and communities, providing support as soon as a problem emerges, at any point in a child's life, from the early years through to teenage years.

### Early Help can support children and their families who may be struggling with:

- Routines and family rules
- Keeping to a healthy lifestyle
- Children who are caring for a family member
- Children who may not want to go to school for different reasons
- Disability within the family including children being a young carer
- Children in the family have special educational needs (SEND)
- Families who may be not be eating healthy food
- Children who may becoming involved in anti-social or criminal behaviour
- Children who go missing from home
- Children or parents / carers misusing drugs or alcohol
- Children at risk of being tricked, forced, or made to work in the criminal world
- Children who may need support because they may live in a home and see drug or alcohol abuse or adult mental health problems
- Children who have parents who argue a lot (and sometimes might hurt each other) whether the parents live together or apart
- Children at risk of being groomed to join groups which support illegal views
- A privately fostered child (a child from another family living within your family home)

Early help relies upon local groups and people in the community, sometimes we work together to help children, young people, and their families.

Everyone needs help at some time in their lives and therefore an ethos of early help is important for any school.
