#23 8.3.24

Dear Cherry Orchard pupils, parents and carers,

We have had a brilliant mix of careers and books this week! We are so grateful to the visitors who have popped into school to share their careers stories with our children. We have had graduates, apprentices, film makers, prison warders, engineers and nurses to name just a few. We are hoping this will have inspired your children to think about the wide variety of opportunities that the future holds.

Yesterday's World Book Day was just fantastic, with story sharing and in assembly we saw a collection of amazing outfits and career options on display. It was another one of those memorable days that brings the wider curriculum at Cherry Orchard to life.

Next week, we shall be taking part in Science week also, so another busy week in school.

Finally, I would just like to congratulate our Little Cherries Pre-School for being nominated in the Worcestershire Education Awards 2024 category of best Pre-School. An amazing achievement.

I hope you enjoy a good weekend,

Karen Banford

# Careers Week 2024

## at Cherry Orchard

This week, we have been focusing on dreams and goals, and aspirations for the future. As part of National Careers Week, we have been learning about the skills needed for a variety of roles and about how they are linked to the subjects that we teach at school. For example, the children have thought about which jobs enjoying science can open to them. A wide range of visitors have talked to the children about their roles/careers—about their qualifications and training, their day-to-day life and the skills they use, and about why their role is important in society. The children have loved listening to the visitors and questioning them and about trying some of the practical aspects of the roles. The Year 4 children even made some films with their visitors.

# World Book Day 2024

## at Cherry Orchard

On Thursday, linking our World Book Day dressing-up to Careers Week gave us a hall packed with such a brightly coloured variety of costumes from builders, doctors and footballers to literary characters such as Mary Poppins and Willy Wonka. It was wonderful to see the variety and to have the children (and staff) tell us why they had picked their outfits. Across the day, we had many reading events including the staff reading their favourite books to other classes and the children listening to stories being read by famous authors. They also read with a child from another class and carried out activities like story mapping a favourite book, writing about characters and performing poems with actions. It's all about building a love of reading, whatever the text.

Pre-school joined in with Careers Week and World Book Day. Our topic at the moment is People who help us. We had a nurse come in to talk to us . For World Book Day, one of the boys came as a policeman so the Little Cherries reported a missing toy to the policeman. He took notes and they all went to find the missing toy.

Thank you to Mrs Ward, a nurse, who visited Reception today. She told us all about her job and we practised with bandages, syringes, stethoscopes and thermometers. There are a lot of us who would like to be a nurse now!

## Year 1

After our visit from a police officer, Year 1 were inspired to think about what they might like to be when they grow up. We have lots of discussions about different jobs we could do and chose our favourites. On World Book Day, we dressed as some of our favourite book characters and enjoyed talking about the jobs that they did. We loved reading with the Year 6's who came to visit us during the day.

## Year 2

Year Two had a wonderful World Book Day! The children dressed up in a variety of career-themed outfits and loved writing their own imaginative stories. They were lucky enough to be paired with a reading buddy from Year 5 in the afternoon - an experience that they thoroughly enjoyed!

**Year 3**

This week, we have had visits from a police officer and pharmacist. We have also talked about aspirations for the future and took part in a quiz to find our future career!

## YEAR 4

Mr Rowe is a TV cameraman and editor for Hayfisher TV Productions. He came and talked about how he got into filming and brought his apprentice with him to talk about his experiences. The children got to see the equipment and some of the films he has made around the world and then they made a short film with him. Have a look at it on the website.

We also had a visit from a prison officer which fascinated all of the children. She told us that getting our GCSEs would allow us to choose any career and even change careers if we wanted to until we found what was right for us. Great advice!

## Year 6

Our midwife visitor talked about how she got into her role and why. Then the children all had a go at taking their blood pressure and listening to their heartbeat.

The children heard how science can lead to a career from Mrs Nickson. Then they had a go at some chromatography, splitting the colours in felt tip ink and then learning about why it worked for some colours and not others. Science in action!

## Attendance

This is a screenshot of the Attendance guidance which is on our website, along with our Attendance Policy. Please help support your child's education by ensuring that they are in school, on time, every day. If your child is absent for any reason, please make the office aware of this as soon as possible, as the twice daily attendance registers are legal documents that must be accurately completed and shared with the LA. Attendance is a 'hot-topic' for the school, the MAT, the LA and the Government, as every child has the right to a full education.

### Cherry Orchard Primary School

#### Attendance Procedures

##### Attendance Matters:

At Cherry Orchard Primary School, we believe that good attendance is vital for all children to be confident, happy and independent learners. Good attendance is 97% or above – no more than 6 days off school in a year. Our aim is to give a clear and consistent message to parents/carers and children in our school, which we will constantly reinforce in our day-to-day work.

Good attendance is a priority at Cherry Orchard and our target is to achieve **97% or above** by the end of this academic year. It is an expectation that all children attend school every day because 'Every minute of every day matters'.

##### What is expected of Parents and Carers at Cherry Orchard Primary School:

- **Good attendance** – Parents/carers have a legal duty to ensure that their child/children are in school every day as it is vital for learning and promoting essential life skills
- **Good punctuality** – Parents/carers have a responsibility to ensure that their child/children arrive on time each day in school (so lessons can start at 8:45am) and are prepared for the day ahead
- **Medical/Hospital/Dental Appointments** – Where possible, and unless in an emergency situation, appointments should be taken outside of school hours or in holiday periods. Appointment letters/notifications should be provided to the school office when notifying us of the absence.
- **Absences due to illness** – Parents/carers have a duty to notify the school if their child/children are absent for any reason and this needs to be done as soon as possible and certainly before 9:15am. School will contact parents/carers if notification is not received by this time.
- **Holidays** – Holidays are not permitted in school term time. All holidays are unauthorized except in exceptional circumstances.

## Reminders/information

School gates open at 8:30am and will close when children should be in class at 8:45am. This is when lessons start and the register is taken. The gates will be open again at 3:05pm for a 3:10pm finish for Reception children and a 3:15pm finish for all other year groups. Please try to be prompt in the mornings so that all opportunities for learning are able to be taken and in the afternoons by standing away from the building, close to the areas where your child will be released.

Please try to discourage the bringing of toys/non-school items into school. They can go missing or get broken, meaning the children can get upset. Please keep them for home.

**Please try NOT to drive down Timberdine Close in the mornings unless you have a parking permit for the school as there are not places to turn safely around. We have been asked to pass on that the NHS have had their entrances blocked and there have been some near misses with both children and vehicles, and, as a result, the community police officers will be doing some spot patrols.**

**Clare Spencer** - Assistant Head Teacher, SENDCo, Designated Teacher for Looked After Children and Deputy Safeguarding Lead

## Our Early Help Offer

Early Help is a pathway to supporting you and your child as they grow up when you or they may need further support or guidance.

Providing early help to our pupils and families at **Cherry Orchard Primary School and Little Cherries Pre-school** means we can improve outcomes for children, families, and communities, providing support as soon as a problem emerges, at any point in a child's life, from the early years through to teenage years.

### Early Help can support children and their families who may be struggling with:

- Routines and family rules
- Keeping to a healthy lifestyle
- Children who are caring for a family member
- Children who may not want to go to school for different reasons
- Disability within the family including children being a young carer
- Children in the family have special educational needs (SEND)
- Families who may be not be eating healthy food
- Children who may becoming involved in anti-social or criminal behaviour
- Children who go missing from home
- Children or parents / carers misusing drugs or alcohol
- Children at risk of being tricked, forced, or made to work in the criminal world
- Children who may need support because they may live in a home and see drug or alcohol abuse or adult mental health problems
- Children who have parents who argue a lot (and sometimes might hurt each other) whether the parents live together or apart
- Children at risk of being groomed to join groups which support illegal views
- A privately fostered child (a child from another family living within your family home)

Early help relies upon local groups and people in the community, sometimes we work together to help children, young people, and their families.

Everyone needs help at some time in their lives and therefore an ethos of early help is important for any school.

## Help and support at Cherry Orchard

The staff team at Cherry Orchard Primary School and Little Cherries Pre-school, will provide you with support and guidance - please ask one of the team if you need help with issues such as attendance, behaviour, routines at home, financial difficulties, bereavement and counselling etc

Staff are trained to seek further advice and guidance if they do not have the relevant information to hand. The senior leadership team have additional skills and training to help with more specialised situations or levels of support. **Please remember, we are all here to help – just ask!**
