

Weekly Newsletter

#26 11.4.24

Dear Cherry Orchard pupils, parents and carers,

Welcome back to the final term of the school year - we have a busy Summer term ahead! We have already had two trips out of school this week along with a great class assembly from Miss Evan's class (RO). It was great to see such confidence and to hear some brilliant songs and rhymes.

In the week beginning 22nd April, our KS2 children (Y3,4,5 & 6) will be bringing home their school iPads. Please ensure you have signed the Use Agreement form so that your child has the required permission. (If you haven't signed it, you will receive a Forms link this afternoon to give your permission. Please complete before 21.4.23.) In the other schools where this has already happened, it has been a great success and issues with accidental damage haven't actually turned out to be a big problem. Please support your child to get into a good habit, remembering to bring the charged iPad into school each day.

We had some great news over the Easter break. We are a finalist in the Worcestershire Education Awards for **Primary School of the Year** along with the Early Years setting of the year! We are completely honoured to have reached the final. The awards ceremony takes place next week, so fingers crossed for a win for Cherry Orchard.

Have a lovely weekend and a belated Eid Mubarak to those who celebrated it this week.

Karen Banford

Exciting news

We have THREE nominations in the finals of the Worcester Education Awards:

- Primary School of the Year!
- Little Cherries has been nominated in the category of Pre-School of the Year.
- The Box Car Rally (the annual Year 6 D&T event at Shelsley Walsh) has been nominated in the category of STEM project of the Year.

This week at school....

In Reception

Reception children started their 'Super Scientists' exploring rockets! They had an exciting time sending rockets into space in different ways!

In Year 1

Year 1 had an amazing time visiting Thinktank in Birmingham. We built our own stable structures and loved exploring everything else the museum had to offer.

In Year 2

As part of our new science unit, we have been investigating whether all seeds are the same. The children enjoyed looking closely at a variety of different seeds and concluded that they vary depending on the plant that they grow into. They were brilliant at drawing detailed sketches of each seed and using adjectives to describe their properties.

In Year 3

We have had an extremely busy week back in Year 3! In Science, we have started our new topic learning all about plants. We labelled the different parts of a plant and then researched their functions. Listen to our voice recordings on Seesaw to hear all about our findings.

In Year 4

Year 4 have completed art work in the style of late Dutch painter, Van Gogh. The children used acrylic paint and the different techniques they had practiced in their unit of work.

In Geography, we have been answering our final question from Spring Term: *How is climate change affecting the world?* in a really creative way.

In Year 6

This week in English we wrote our History essays. Last term, we were learning about the rights of Black People and how their rights have changed over time. We have learnt about Harriet Tubman, Rosa Parks and Martin Luther King Junior and how they changed the world forever. We learnt a lot and that is why we did our essays. It was very interesting, and we enjoyed it.

By Nicole Price 6C

Joe

How have the rights of black people changed throughout history?

Black people have been treated in many different ways throughout time and in this essay I will be covering that all of the main people and events in black history.

The transatlantic slave trade

The transatlantic slave trade which started in 1526 was a system of trade which was made by America, Africa and Britain. The way it worked was that Britain would take things that Africa needed (cloth, guns and beads) and would trade them for slaves. The slaves would be taken to America and traded for things that Britain needed (Sugar, Rum, Cotton and Tobacco). After that they would return to Britain and sell the slaves what they got from America and sold it for money.

Harriet Tubman and the underground railroad

Harriet Tubman was born as a slave in America. She is depicted in source two. Even as a child, she was forced to work, taking a huge metal bucket of water to her family, who worked in the corn fields. When she grew older she joined her family and started

Zachary

How have rights of Black people changed throughout history?

In today's society Black people are treated differently to how it used to be. Currently, it is fair.

Transatlantic Slave Trade:

In the 16th century, Slave Trade began. For 366 years Africa, Europe and America traded goods such as: guns, cloth, ivory, rum, iron, tobacco and cotton. The main traded thing was enslaved people. Slaves were imported from Africa to America.

Who was Harriet and Tubman and the Underground Railroad:

Harriet Tubman was born (in the 1800s) into a family of enslaved people. When she was older she fled, she escaped but decided to save her family. Using an anti-slavery safe house, Harriet rescued over 10 people. The underground railroad had many routes to free states.

Nicole

How have the rights of Black people changed throughout history?

Introduction:

It may seem that Black and White people are treated well fairly, but it was not always this way.

Transatlantic Slave trade:

Around the 17th century, slaves were traded for goods across the Atlantic. This was called the Transatlantic Slave Trade. Black people from Africa were captured and taken to America where they worked all day for their white master.

Who was Harriet Tubman?

Harriet Tubman was just one of the black people in slavery. (Source 2) Her parents were taken from Africa and were brought to America in the Slave Trade. She longed for freedom and decided to escape. After several days, she made it to Pennsylvania and was free. But she missed her family so she went back to rescue them. Harriet kept returning for more slaves over and over again.

The Kingdom of Benin:

The Kingdom of Benin was a small country in Africa which is today's Nigeria. It was powerful and had a wall in which to protect it. Britain wanted that power therefore sent men to try and get it. Benin's soldiers launched a war counter-attack (Source 1) and several British men were killed. Benin was burnt to the ground shortly after and many bonzas were stolen.

VOLUNTEERS NEEDED

In the second half of Summer Term, Year 6 will be working hard to design and make all the elements of a themed racing boxcar team. We will be competing against Year 6 classes from all the schools in the Trust. Can you volunteer any time to offer your expertise, guidance and help to the children to make the most exciting products possible?

Please see this table of days that we need you and what you might expect to be doing on that day.

Please bring with you anything that might be useful (sewing items, drills/screws etc – please note that the children should not use power tools unless under strict supervision). These are practical sessions working with approximately 8-10 children – you do not need to be an expert, just willing to practically get involved and offer guidance.

We are exceptionally grateful for any time you can spare to help us with this project. Please email HPalmer@riverscofe.co.uk if you are able to come in on any of these days.

Attendance

This is a screenshot of the Attendance guidance which is on our website, along with our Attendance Policy. Please help support your child's education by ensuring that they are in school, on time, every day. If your child is absent for any reason, please make the office aware of this as soon as possible, as the twice daily attendance registers are legal documents that must be accurately completed and shared with the LA. Attendance is a 'hot-topic' for the school, the MAT, the LA and the Government, as every child has the right to a full education.

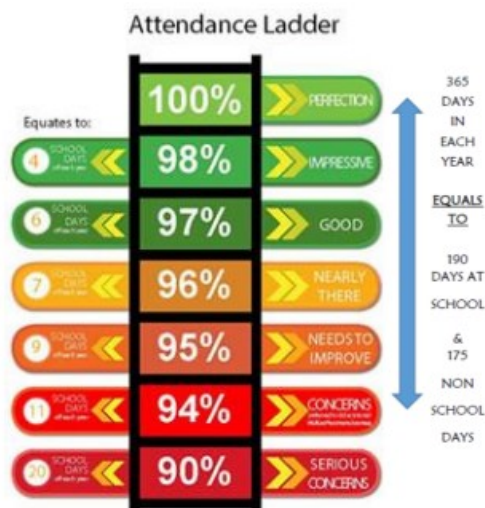

Cherry Orchard Primary School

Attendance Procedures

Attendance Matters:

At Cherry Orchard Primary School, we believe that good attendance is vital for all children to be confident, happy and independent learners. Good attendance is 97% or above – no more than 6 days off school in a year. Our aim is to give a clear and consistent message to parents/carers and children in our school, which we will constantly reinforce in our day-to-day work.

Good attendance is a priority at Cherry Orchard and our target is to achieve **97% or above** by the end of this academic year. It is an expectation that all children attend school every day because 'Every minute of every day matters'.

What is expected of Parents and Carers at Cherry Orchard Primary School:

- **Good attendance** – Parents/carers have a legal duty to ensure that their child/children are in school every day as it is vital for learning and promoting essential life skills
- **Good punctuality** – Parents/carers have a responsibility to ensure that their child/children arrive on time each day in school (so lessons can start at 8:45am) and are prepared for the day ahead
- **Medical/Hospital/Dental Appointments** – Where possible, and unless in an emergency situation, appointments should be taken outside of school hours or in holiday periods. Appointment letters/notifications should be provided to the school office when notifying us of the absence.
- **Absences due to illness** – Parents/carers have a duty to notify the school if their child/children are absent for any reason and this needs to be done as soon as possible and certainly before 9:15am. School will contact parents/carers if notification is not received by this time.
- **Holidays** – Holidays are not permitted in school term time. All holidays are unauthorized except in exceptional circumstances.

Reminders/information

School gates open at 8:30am and will close when children should be in class at 8:45am. This is when lessons start and the register is taken. The gates will be open again at 3:05pm for a 3:10pm finish for Reception children and a 3:15pm finish for all other year groups. Please try to be prompt in the mornings so that all opportunities for learning are able to be taken and in the afternoons by standing away from the building, close to the areas where your child will be released.

Please try to discourage the bringing of toys/non-school items into school. They can go missing or get broken, meaning the children can get upset. Please keep them for home.

Please try NOT to drive down Timberdine Close in the mornings unless you have a parking permit for the school as there are not places to turn safely around. We have been asked to pass on that the NHS have had their entrances blocked and there have been some near misses with both children and vehicles, and, as a result, the community police officers will be doing some spot patrols.

Our Early Help Offer

Early Help is a pathway to supporting you and your child as they grow up when you or they may need further support or guidance.

Providing early help to our pupils and families at **Cherry Orchard Primary School and Little Cherries Pre-school** means we can improve outcomes for children, families, and communities, providing support as soon as a problem emerges, at any point in a child's life, from the early years through to teenage years.

Early Help can support children and their families who may be struggling with:

- Routines and family rules
- Keeping to a healthy lifestyle
- Children who are caring for a family member
- Children who may not want to go to school for different reasons
- Disability within the family including children being a young carer
- Children in the family have special educational needs (SEND)
- Families who may be not be eating healthy food
- Children who may becoming involved in anti-social or criminal behaviour
- Children who go missing from home
- Children or parents / carers misusing drugs or alcohol
- Children at risk of being tricked, forced, or made to work in the criminal world
- Children who may need support because they may live in a home and see drug or alcohol abuse or adult mental health problems
- Children who have parents who argue a lot (and sometimes might hurt each other) whether the parents live together or apart
- Children at risk of being groomed to join groups which support illegal views
- A privately fostered child (a child from another family living within your family home)

Early help relies upon local groups and people in the community, sometimes we work together to help children, young people, and their families.

Everyone needs help at some time in their lives and therefore an ethos of early help is important for any school.

Help and support at Cherry Orchard

The staff team at Cherry Orchard Primary School and Little Cherries Pre-school, will provide you with support and guidance - please ask one of the team if you need help with issues such as attendance, behaviour, routines at home, financial difficulties, bereavement and counselling etc

Staff are trained to seek further advice and guidance if they do not have the relevant information to hand. The senior leadership team have additional skills and training to help with more specialised situations or levels of support. **Please remember, we are all here to help – just ask!**

WE NEED YOU!

Worcestershire County City are still looking to fill the role of School Crossing Patrol officer on Timberdine Avenue. This is a vital role, helping both adults and children to cross the busy road safely both before and after school.

If you think that you might be interested, please contact Worcestershire County Council or see the www.wmjobs.co.uk/job section of their website. (The form says a closing date of April 1st but they are re-opening it and will still take applications.)
