

Great tasting food that your children will love

Aspens is the company chosen by Cherry Orchard Primary School to provide the meal service to their students. We specialise in providing catering to schools and colleges across the country and are passionate about serving fresh, high quality and locally sourced food that is cooked in our kitchen.

Free School Meals

All children that are in reception, year 1 and year 2 are entitled to receive FREE SCHOOL MEALS! We think it's a fantastic idea so please make sure you support this initiative.

Not only will you be saving money, but you will also be giving your child a nutritionally balanced meal to fuel their bodies for the rest of their learning day.

Pre-order and payment system

Aspens will be introducing their own on-line pre-order and payment system from September. This is available to all parents, whether the meals are paid for or are free school meal. The system will ensure that every child receives their chosen meal of the day.

We will run the manual order system for a couple of months alongside the online system.

Food Allergens

There is new legislation that requires caterers to provide allergen information on food sold that is served 'unpackaged'. Aspens already cater for lots of children with allergies and they regularly check the information from suppliers to see if there have been any ingredient changes. They will ensure that their teams undergo refresher training to incorporate this new legislation but it is still important that our customers talk to us so we can work together and continue to provide meals that are safe for them to eat.

Hello from Bubble and Squeak

Bubble and Squeak are our school meal characters - chosen by a group of pupils at St Andrews Junior School in North Somerset.

The children picked the characters simply because they made them feel happy and felt they would help them enjoy their school lunch. What more could we ask for?

Watch out for them over the coming months. They will be featured in lots of fun things for your children to do and they will help to educate them about the importance of eating well.

Get in touch

Aspens are experts in school catering and have years of experience when it comes to school food. If you have any questions about our service, or any special dietary requirements - please get in touch. You can contact us via email on info@aspens-services.co.uk or call on 01866 821511. You will also find a host of information on our website – www.aspens-services.co.uk
