Cherry Orchard Primary School- Sport Premium Funding Academic Year 2017-2018

The 5 key indicators that schools should expect to see improvement across:
1. The engagement of all pupils in regular physical activity - the Chief Medical Officer (CMO) guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school;
2. The profile of PE and sport is raised across the school as a tool for whole-school improvement;
3. Increased confidence, knowledge and skills of all staff in teaching PE and sport;
4. Broader experience of a range of sports and activities offered to all pupils;
5. Increased participation in competitive sport.
